

Here is a great little holiday away at a terrific price – a one week trip to Hong Kong. Maybe you don't have a lot of time for vacation but you want a quick get-away, Hong Kong is perfect. Hong Kong has shopping, famous restaurants, wonderful Chinese sights to view and very nearby is the gambling mecca of Asia, Macau. Oh, by the way did I mention the shopping?

This fun get-a-way includes **5 nights** at a brand new **hotel** (it just opened in October 2009) in the heart of Kowloon; it's just a short walk to the harbor, **airfare** from Los Angeles, **transfers** back and forth from the airport to the hotel and a half-day **Hong Kong Island tour** all for only **\$1500***.

There is so much to see and do in Hong Kong and now you have just the right amount of time to enjoy the Chinese city of old and new. The departure dates for this independent travel adventure is from **February 20 – March 30, 2010**. So pick a week and escape to the fascinating Chinese port of Hong Kong.

**Airport Tax is included but not fuel surcharges (weekday travel only). This price is based on double and triple occupancy.*
